

According to this [recent article](#) in Becker's Spine Review, prior authorizations for orthopedic procedures are on the rise and quickly becoming a larger pain point than ever before.

[Read Now](#)

One thing to keep in mind is that laser therapy for pain (like that which OrthoLazer Orthopedic Laser Centers provides) doesn't require prior authorization.

[Click here](#) to learn more about MLS M8 Laser Therapy and the franchise opportunities that OrthoLazer provides.
