DERMAFRAC[™] INTERVIEWS

"DermaFrac[™] is very easy to do, generates a lot of revenue for the practice, and it drives a lot of new patients."

- Dr. Martin Kassir

Watch dermatologist Dr. Martin Kassir describe DermaFrac[™] micro-channeling and the benefits of implementing this technology in your practice.

JACQ magazine features DermaFrac[™]:

"This is truly a breakthrough technology that you will find at most med spas and dermatologists. This is micro needling that delivers a simultaneous infusion of serums for significant, improved results. Achieving beautiful skin has never been easier, faster, more comfortable or more effective."
