Course Description

This course will provide a comprehensive review of pelvic floor disorders and rehabilitation treatments. Emphasis will be placed on the use of equipment for augmenting these interventions. Presentation of case studies will be a part of the course. Prior to the workshop, attendees will complete a survey to identify learning needs.

Intended Audience

Physicians, Physicians Assistants, Nurse Practitioners, and Registered Nurses who specialize in areas related to Pelvic Floor Function/Dysfunction.

For more information, please visit theprogrp.com/professional-development-course/ or contact Heidi Gagnon, Marketing Assistant at 800-442-2325.
