# A U A

**ANNUAL MEETING**  
MAY 4 - 8, 2013 San  
Diego, CA USA

### *Booth 4113*

The AUA 2013 is just around the corner and we wanted to let you know where to find LISA Laser.

We will be on booth 4113, across from Intuitive Surgical. Please feel free to stop by to say hello and learn about the latest technology from LISA Laser.

The FDA Approved RevoLix 200 watt laser for BPH, bladder tumors and strictures is the most powerful Thulium laser available.

- Side fire and end fire fibers
- Reusable fiber, low procedure cost
- Rent, lease, purchase options
- 200 Watts, fast procedure times
- Less than 0.5mm depth of penetration in tissue

***For more information, please see us at AUA, booth # 4113,
