“I was so pleased to come across the Firefly. I have incorporated it into my practice for several applications, but most especially for balloon sinuplasty in the office. I would highly recommend the Firefly.”

Dr. Michael J. Kortbus, Hudson Sinus

“I have been using the Firefly DE1250 since it was first introduced in 2015. Being wireless and lightweight made it a very attractive option for my office practice. The versatility, ergonomics, and price are unmatched.”

Dr. Peter Catalano, St. Elizabeth's Medical Center
